

## Medicare Part B Income-Related Premium - Life-Changing Event

If you had a major life-changing event that has reduced your income, you may use this form to request a reduction in your Medicare Part B income-related premium. See page 5 for detailed information and line-by-line instructions. If you prefer to schedule an interview with your local Social Security office, then call 1-800-772-1213 (TTY 1-800-325-0778).

Name	Social Security Number
------	------------------------

You may use this form if you received a notice that your monthly Medicare Part B premium includes an income-related monthly adjustment amount and you experienced a life-changing event that may reduce your income-related monthly adjustment amount. To decide this amount, we asked the Internal Revenue Service (IRS) about certain income from the Federal income tax return you filed for the 2008 tax year. If that was not available, we asked for your tax return information for 2007.

We used your adjusted gross income plus tax-exempt interest income which we call “modified adjusted gross income.” We took this information and used the table below to decide your income-related monthly adjustment amount.

The table below shows the income-related monthly adjustment amounts to your Medicare premium based on your tax filing status and income. If your modified adjusted gross income was lower than \$85,000.01 (or lower than \$170,000.01 if you filed your taxes with the filing status of married, filing jointly) in your most recent filed tax return, you do not have to pay an income-related monthly adjustment amount. If you do not have to pay an income-related monthly adjustment amount, you should not fill out this form even if you experienced a life-changing event.

However, the law sometimes requires us to give out the facts on this form without your consent. **Life-Changing Event--Request for Use of More Recent Tax Year Information**

You do not have to complete this form in order to ask that we use your information about your modified adjusted gross income for a more recent tax year. If you prefer, you may call 1-800-772-1213 and speak to a representative from 7 a.m. until 7 p.m. on business days to request an appointment at one of our field offices. If you are hearing-impaired, you may call our TTY number, 1-800-325-0778.

**Identifying Information**

Print your full name and your own Social Security Number as they appear on your Social Security card. Your Social Security Number may be different from the number on your Medicare card.

**STEP 1**

You should choose only one life-changing event on the list. If you experienced more than one life-changing event, please call your local Social Security office at 1-800-772-1213 (TTY 1-800-325-0778). Fill in the date that the life-changing event occurred. The life-changing event date must be in the same year or an earlier year than the tax year you ask us to use to decide your income-related premium adjustment. For example, if we used your 2008 tax information to determine your income-related monthly adjustment amount for 2010, you can request that we use your 2009 tax information instead if you experienced a reduction in your income in 2009 due to a life-changing event that occurred in 2009 or an earlier year.

Life-Changing Event	Use this category if...
Marriage	You entered into a legal marriage.
Divorce/Annulment	Your legal marriage ended, and you will not file a joint return with your spouse for the year.
Death of Your Spouse	Your spouse died.
Work Stoppage or Reduction	You or your spouse stopped working or reduced the hours that you work.
Loss of Income-Producing Property	You or your spouse experienced a loss of income from income-producing property, that was not at your direction (e.g., not due to the sale or transfer of the property). This includes loss of income from real property in a Presidentially or Gubernatorially-declared disaster area, destruction of livestock or crops due to natural disaster or disease, or loss of income from property due to arson, or loss of investment property due to fraud or theft.
Loss of Pension Income	You or your spouse experienced a scheduled cessation, termination, or reorganization of an employer's pension plan.
Employer Settlement Payment	You or your spouse receive a settlement from an employer or former employer because of the employer's bankruptcy or reorganization.

### STEP 2

Supply information about the more recent year's modified adjusted gross income. Note that this year must reflect a reduction in your income due to the life-changing event you listed in Step 1. A change in your tax filing status due to the life-changing event might also reduce your income-related monthly adjustment amount. Your modified adjusted gross income is your adjusted gross income plus your tax-exempt interest income. We used your modified adjusted gross income and your tax filing status to set your income-related monthly adjustment amount.

#### Tax Year

- Fill in both empty spaces in the box that says “20\_\_ The year you choose must be more recent than the year of the tax return information we used. The letter that we sent you tells you what tax year we used.”
  - Choose this year (the "premium year") - if your modified adjusted gross income is lower this year than last year. For example, if you request that we adjust your income-related premium for 2010, use your estimate of your 2010 modified adjusted gross income if:
    1. Your income was not reduced until 2010; or
    2. Your income was reduced in 2009, but will be lower in 2010.
  - Choose last year (the year before the "premium year," which is the year for which you want us to adjust your income-related premium) - if your modified adjusted gross income is not lower this year than last year. For example, if you request that we adjust your 2010 income-related premium and your income was reduced in 2009 by a life-changing event AND will be no lower in 2010, use your tax information for 2009.
  - Exception: If we used IRS information about your modified adjusted gross income 3 years before the premium year, you may ask us to use information from 2 years before the premium year. For example, if we used your income tax return for 2007 to set your 2010 premium, you can ask us to use your 2008 information.
- If you have any questions about what year you should use, you should call SSA.

#### Adjusted Gross Income

- Fill in your actual or estimated adjusted gross income for the year you wrote in the “tax year” box. On IRS form 1040, adjusted gross income is the amount on line 37. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

#### Tax-exempt Interest

- Fill in your actual or estimated tax-exempt interest income for the tax year you wrote in the “tax year” box. On IRS form 1040, tax-exempt interest income is reported on line 8b. If you are providing an estimate, your estimate should be what you expect to enter on your tax return for that year.

#### Filing Status

Check the box in front of your actual or expected tax filing status for the year you wrote in the “tax year” box.

### STEP 3

Complete this step only if you expect that your modified adjusted gross income for next year will be even lower and will reduce your premium below what you told us in Step 2 using the table on page 1. We will record this information and use it next year to determine your income-related Medicare premium. If you do not complete Step 3, we will use the information you provide in Step 2 next year to determine your income-related Medicare premium, unless one of the conditions described in "Important Facts" on page 8 occurs.

#### **Tax Year**

- Fill in both empty spaces in the box that says "20 \_\_" with the year following the year you wrote in Step 2. For example, if you wrote "2010" in Step 2, then write "2011" in Step 3.

#### **Adjusted Gross Income**

- Fill in your estimated adjusted gross income for the year you wrote in the "tax year" box. On IRS form 1040, adjusted gross income is the amount you expect to enter on line 37 when you file your tax return for that year.

#### **Tax-exempt Interest**

- Fill in your estimated tax-exempt interest income for the tax year you wrote in the "tax year" box. On IRS form 1040, tax-exempt interest income is the amount you expect to report on line 8b.

#### **Filing Status**

- Check the box in front of your expected tax filing status for the year you wrote in the "tax year" box.

---

### STEP 4

Provide your required evidence of your modified adjusted gross income and your life-changing event.

#### **Modified Adjusted Gross Income Evidence**

If you have filed your Federal income tax return for the year you wrote in Step 2, then you must provide us with your signed copy of your tax return or a transcript from IRS. If you provided an estimate in Step 2, you must show us a signed copy of your tax return when you file your Federal income tax return for that year.

#### **Life-Changing Event Evidence**

We must see original documents or certified copies of evidence that the life-changing event occurred. Required evidence is described on the next page. In some cases, we may be able to accept another type of evidence, if you do not have a preferred document listed on the next page. Ask a Social Security representative to explain what documentation is accepted.

Life-Changing Event	Evidence
Marriage	An original marriage certificate; or a certified copy of a public record of marriage.
Divorce/Annulment	A certified copy of the decree of divorce or annulment.
Death of Your Spouse	A certified copy of a death certificate, certified copy of the public record of death, or a certified copy of a coroner's certificate.
Work Stoppage or Reduction	An original signed statement from your employer; copies of pay stubs; original or certified documents that show a transfer of your business. <b>Note:</b> In the absence of such proof, we will accept your signed statement, under penalty of perjury, on this form, that you partially or fully stopped working or accepted a job with reduced compensation.
Loss of Income-Producing Property	An original copy of an insurance company adjuster's statement of loss or a letter from a State or Federal government about the uncompensated loss. If the loss was due to investment fraud (theft), we also require proof of conviction for the theft, such as a court document citing theft or fraud relating to you or your spouse's loss.
Loss of Pension Income	A letter or statement from your pension fund administrator that explains the reduction or termination of your benefits.
Employer Settlement Payment	A letter from the employer stating the settlement terms of the bankruptcy court and how it affects you or your spouse.

---

## STEP 5

Read the information above the signature line, and sign the form. Fill in your phone number and current mailing address. It is very important that we have this information so that we can contact you if we have any questions about your request.

---

### Important Facts

- When we use your estimated modified adjusted gross income information to make a decision about your Medicare Part B premium amount, we will later check with the IRS to verify your report.
- If you provide an estimate of your modified adjusted gross income rather than a copy of your Federal tax return, we will ask you to provide a copy of your tax return when you file your taxes.
- If your estimate of your modified adjusted gross income changes, or you amend your tax return for that reason, you will need to contact us to update our records. If you do not contact us, we may have to make corrections later including retroactive assessments or refunds of premiums.
- We will use your estimate provided in Step 2 to make a decision about the amount of your Medicare Part B premium the following year until:
  - IRS sends us your tax return information for the year used in Step 2; or
  - You provide your copy of your filed Federal income tax return or amended Federal income tax return with a different amount; or
  - You provide an updated estimate.
- If we used information from IRS about a tax year when your filing status was Married filing separately, but you lived apart from your spouse at all times during that year, you should contact us at 1-800-772-1213 (TTY 1-800-325-0778) to explain that you lived apart from your spouse. Do not use this form to report this change.
