**If You Need
Help To
Answer The
Report**

It is important that information you give us is accurate. We have tried to make report questions easy to understand and answer. But, if you find that you do not understand a question or questions, please contact us, your authorized representative, a social service agency, your doctor or clinic, or some other person you trust.

If We Do A Full Medical Review

If we decide to do a full medical review of your case, you can give us any information which you believe shows that you are still disabled, such as medical reports and letters from your doctors about your health. Then, we look at all your information in your case, including the new information you give us, and decide whether you continue to be disabled under our rules.

Appeals And Continued Benefits

When we review your case, we may find that you are no longer disabled under our rules, and your payments may stop. If your payments stop, you can appeal our decision or you can ask us to continue to make payments while you appeal.

If You Want To Work

Do you want to work, but worry about losing your payments or Medicare before you can support yourself? We want to help you go to work when you are ready. But, work and earnings **may** affect your benefits. Your local Social Security office can tell you more about work incentives, and how work and earnings can affect your benefits.

The Privacy And Paperwork Reduction Acts

Sections 205(a) and 1631(e)(1)(A) and (B) of the Social Security Act, as amended, and Social Security regulations at 20 C.F.R. 404.1589 and 416.989 authorize us to collect this information. The information you provide will be used to further document your claim and permit a determination about continuing disability.

The information you furnish on this report is voluntary. However, if you do not provide the requested information, a decision based on the evidence in your case can result in a determination that your disability has ceased.

We rarely ever use the information you supply on this report for any purpose other than making a determination relating to your disability. However, we may use it for the administration and integrity of the Social Security programs. We may also disclose information to another person or to another agency as follows:

1. To enable a third party or an agency to assist Social Security in establishing rights to Social Security benefits and/or coverage;
2. To comply with federal laws requiring the release of information from Social Security records (e.g., to the Government Accountability Office and Department of Veterans' Affairs);
3. To make determinations for eligibility in similar health and income maintenance programs at the Federal, state and local level; and
4. To facilitate statistical research and audit activities necessary to assure the integrity and improvement of the Social Security programs (e.g., to the Bureau of the Census and private concerns under contract to Social Security).

We may also use the information you provide in computer matching programs. Matching programs compare our records with records kept by other Federal, State or local government agencies. Information from these matching programs can be used to establish or verify a person's eligibility for Federally funded or administered benefit programs and for repayment of payments or delinquent debts under these programs.

Explanations about these and other reasons why information you provide us may be used or given out are available in Social Security offices or on-line at www.ssa.gov. If you want to learn more about this, contact any Social Security office.

Paperwork Reduction Act Statement – This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget control number. We estimate that it will take about 15 minutes to read the instructions, gather the facts, and answer the questions. *Send **only** comments on our time estimate above to: SSA, 1338 Annex Building, 6401 Security Boulevard, Baltimore, MD 21235-6401*
